waiver —	
The purpose of this agreement, waiver and release is: (1) to inform you of some of the risks that you assume by swimming in the San Francisco Bay; (2) to release any employee or person affiliated with these clinics from liability for any injuries, losses or damages arising out of your decision to swim in the Bay or use the any of the vessels assisting the clinics.	
EXPRESS ASSUMPTION OF RISK ASSUMPTION OF THE RISKS OF BAY SWIMMING: Bay swimming is inherently dangerous. While no ODYSSEY swimmers have been injured during a swim, other Bay swimmers have been injured and killed. For example, a fishing boat once killed a swimmer. Sea lions and other marine animals have attacked swimmers. Swimmers have been injured by objects in the water, both floating and fixed. There may be health hazards associated with pollution in the Bay. Bay currents, often more powerful than the strongest swimmer, are unpredictable and have swept swimmers off course.	
Bay and ocean water can be cold. Temperatures typically range between 45 and 73 degrees Fahrenheit. Swift currents and cold water have precipitated drowning, heart attacks and hypothermia. There are just some of the hazards and dangers associated with open water swimming.	
I UNDERSTAND AND ASSUME ALL RISKS ASSOCIATED WITH SWIMMING IN THE BAY. WAIVER AND RELEASE OF ODYSSEY Open Water Swimming: On behalf of my heirs, assignees, personal representative, and next of kin, I hereby release and hold harmless ODYSSEY Open Water Swimming, an LLC Organization, its officers, members, officials, agents and employees and other participants, with respect to all injury, disability, death, or loss, injury or damage to me or my property, whether arising from the negligence of the ODYSSEY Open Water Swimming, LLC, its members or officers, or otherwise.
